# Math Night

## About Math Nights:

Castlebay PATH and Mathnasium of Granada Hills have partnered to bring the Castlebay community an evening of unplugged fun with games and prizes. This interactive event will have students practicing their analytical and math skills in an engaging way, while demonstrating that practicing math at home can be fun!

## About Mathnasium of Granada Hills:

Mathnasium is a math-only learning center with 1,000+ centers worldwide. Our program is highly customized so each individual student gets what they need and more! We help students who struggle in math truly understand what they are learning, and help students who excel in math stay motivated and challenged.
